6) Government in their orders dated 21-9-47 revised the scales of pay of the second grade Revenue Inspectors to ₹ 40-2-50/E B -3-80, during the General Revision Subsequently, on an agitation by these officials, Govt sanctioned a further revision to ₹ 50-3-80/E B -4-100 effective from 1-1-47 (with the due weightage) in their orders dated 9-9-48.

The intentions of Government in their orders dated 16-3-49 in fixing the scales of pay of the II Grade Revenue Inspectors of the City Municipal Council, Mysore, at ₹ 40-2-50-F B -3-80 instead of 50-3-80-E B -4-100 sanctioned by that time to the Revenue Inspectors in the Government Department, are not known However, consequent on the representations

representations on the part of the Revenue Inspectors of the Mysore City Municipality in the matter of treating them on par with the similar personnel in the Government Departments and the recommendations of the Municipal Council to that effect, Government in their Orders dated 17-11-54 sanctioned, among others, the further revision of the scales of pay of the Second Grade Revenue Inspectors of the Mysore City Municipal Council to Rs 50-3-80-EB-4-100, When thus, Govt have recognised the necessity for and equity in this revision, the ends of justice will be fully met only, if the further benefits of initial pay and weightage given to the Revenue Inspectors in the Government Departments are sanctioned in the case of the Revenue Inspectors of this Municipality also with effect from 1-1-47 alone In case such a benefit is conceded by Government, it has to be noted that scales prior to the first revision should be deemed to have been revised straight away to the last revision sanctioned (i e , 50-3-EB-4-100) and out of the total arrears that become due to them owing to weightage benefits, all the arrears already drawn by them on account of the intermediate revision and further claims thereof should be deducted and only the net amount of arrears due, disburs

The above principle equally apply in the case of (1) the Hackney Carriage Inspector and (2) the Market Sargeant, whose scales of pay were on par with those of the Revenue Inspectors and were also revised identically

In the case of the (1) Octroi Inspectors, (2) Water Revenue Inspector (3) Toll Inspector and (4) Invoice Inspector, however, it is seen that the scales of pay of these inspectors as per the initial revision were (40-2-50) lower than those of the Revenue Inspectors (40-2-50-EB-3-80) and this Office had opined that that even the revision of their scales of pay to Rs 50-3-80-EB-4-100 was too lavish and was not financially acceptable (Vide U O No 320/C S A dated 11-9-54) Hence, as the Second revision of their scales itself is more beneficial to them than to the Revenue Inspectors, there appears to be no necessity to reopen the question of the fixation of their initial pay again Their pay

Sir,

Subject Regarding the question whether the weightage is admissible secondtime in connection with the revision of thescales of of pay of the Revenue Inspectors of this Municipality with effect from 1-1-1947

p3

Ref G O No L 10128-9/CM 49-54-12 dated 17-11-1954 revising the grade of the Revenue and other Inspectors of this Municipality

---

In connection with the general revision of the scales of pay of both ministerial and executive establishments including Revenue Inspectors sanctioned in G O No L 10307-8/ML-105-48-91 dated 16-3-1949 the scales of pay of the two Revenue Inspectors on Rs 50/- each and four on Rs 40/- each in this Municipality were revised to Rs 60-5-90-6-150 in the case of the two Graduate Inspectors and to Rs 40-2-50-3-80 each in the case of four Second Grade Non-Graduate Revenue Inspectors and the officials were allocated with due weightage in the revised grade of the Revenue Inspectors as per G O noted above

Subsequently the Revenue Inspectors and other executive staff working in the Municipality, represented that the scales of the second grade Revenue Inspectors may kindly be revised to Rs 50-3-80-4-100 to be on par

with the scale of the Revenue Inspectors of the Revenue Department sanctioned in G O No 2238-40/IR 143-48-3 dated 9th September 1948 The proposal was worked out and placed before the Managing Committee and the Council for their kind consideration

The Managing Committee at their meeting held on 20-11-1953 recommended that the grade pay of the Second Grade Revenue Inspectors be revised to Rs 50-3-80-4-100 with effect from 1-1-1947, in order to enable interchange of officials from the Municipality to the Revenue Department and vice versa The Municipal Council at their meeting held on 10-12-1953 agreed to the proposal and approved of the same

On a recommendation of the Municipal Council the Government in their order No.L 10128-9/CM 49-54-12 dated 17-11-1954 sanctioned the proposal absorbing the two Graduate Revenue Inspectors as I Division Revenue Inspectors in grade Rs.60-5-90-6-150 and also for the revision of the grade pay of Second Grade Revenue and other Inspectors of the Municipal Council to that of Rs.50-3-80-4-100 with effect from 1-1-1947 as per the proposition statement enclosed with Council Resolution dated 10-12-1953 Since the Government have been pleased to order the revision of the scales of pay of the Revenue Inspectors of the Second Grade with effect from 1-1-1947 in supersession of G O dated 16-3-1949 some of the Revenue Inspectors of the Second grade have been representing that they may be granted weightage as on 1-1-1947 in therevised grade of Rs 50-3-80-4-100

As the Revenue Inspectors of this Municipality were given weightage and fixed in the revised scale of Rs 40-2-50-3-80 as per G O dated 16-3-1949 with effect

from 1-1-1947 the officials have been representing for fixation of pay with weightage in the revised grade of Rs 50-3-80-4-100 sanctioned in G O dated17-11-1954 with effect from 1-1-1947 as the grade pay of the Revenue and other Inspectors in this Municipality were not straight-away and for once revised to Rs 50-3-80-4-100 with effect from 1-1-1947

The difference of pay of the several Inspectors as per the revised scale sanctioned in G O dated 17-11-1954 has been paid As the Revenue Inspectors are representing that they might be fixed with due weightage in the revised grade, I request you kindly to intimate whether it would be permissible to grant weightage in the revised grade of pay sanctioned to Revenue Inspectors of this Municipality as per G O No I 10128-9/CM 49-54-12 dated 17-11-1954 since the revised grades came into effect from 1-1-1947
